Dear Parents,

Welcome

Welcome back to a new school year!

We welcome all the new children to the Aman Setu family.

We would like to welcome our new staff as well - Priya maasi, Shel Di, Smita tai, Kanan Aunty, Vijay Sir, Shilpi didi and Dhananjayda. Our new teachers have been attending school since 10th May to prepare for the year ahead!!

Hot news!

During the holidays our school witnessed a transformation: we have a brand new hand built, earth structure- a 310 sq ft classroom– Sourabh da (our ecology teacher) and his team have done wonders. Our new room has an extension: an adjoining verandah around the champa tree, which is now home to a lovely bulbul. This room, in conjunction with the verandah, and the old Rabbit Hole class is being used by the Golden and Silver Eggs.

Phood Filosophy

Anubhuti didi has been coming to school throughout the holidays to teach Meera Maushi several new recipes. She has created a recipe book for our school which will be released shortly. Your child's favourite recipes will make welcome additions to the Aman Setu menu. Please contact Anubhuti at 9673990348 if you want to share a special recipe that you think our children will enjoy.

Transport

We are glad to have extended our transport facility to three buses for children and one van for teachers. We seek your support and patience, till the system is streamlined . We regret the inconvenience caused due to certain unavoidable delays during the first few days. We assure you that this will settle down in a short while and time spent in the bus will be further reduced..

I take this opportunity to check on a few other things –

- I hope that you have received your child's I card / badge by now. Fill it in promptly and paste your child's photograph in the corner. Please clip it to the school uniform every day. If you have not received it, please send a note to the teacher in the chat book.
- Please send an extra pair of clothes [including inner wear] in your child's bag every day. This is compulsory for children below 5 years of age and handy for the others as well.
- All children have been issued the school calendar and a chat book.
- Do fill in the first page of the chat book.

Important dates for your diary

1. 19th June, 2010, Saturday , 10 am to 1 pm – Parents' Orientation for Eggs(Play Group, Jr and Sr KG)
2. 3rd July, 2010 , Saturday, 10am to 1pm - Parents' Orientation for Caterpillars and Chrysalis (Stds.1 / 2 / 3 / 4)

At the Parents' Orientation we will be releasing the first edition of the Aman Setu Parents' Handbook. Do be sure to come and collect your copy.

It is advisable that you leave your children home for your one and only day in school. We can all focus on getting to know more about Aman Setu and answering all your questions. When children are in school teachers tend to be distracted by them!!

Looking forward to meeting you all.....

Warm regards,

Shilpa Didi
